Alignments & complimentary colour highlights.

SKETCH VIEW 1 - Social Learning

Orange box - Dean, Tarn & Point
Mobile companion products offering support, comfort and the freedom to configure layouts.

Orangebox - Boundary
A modular upholstery system with smart components that can be used individually or linked. A complimentary table can be added to form a comfortable work surface.

Allermuir - Tommo High Stool

Allermuir - Open & Conic
An elegant and compact collection of soft seating providing great comfort, precise shape with a pleasing form and visual slenderness

Orangebox - Track Work & Lounge
Designed for use at work or "lounge" height whether relaxing during a meeting or for more upright working on a laptop. A comfortable yet visually light, fully upholstered chair that works equally well individually or in a larger group.

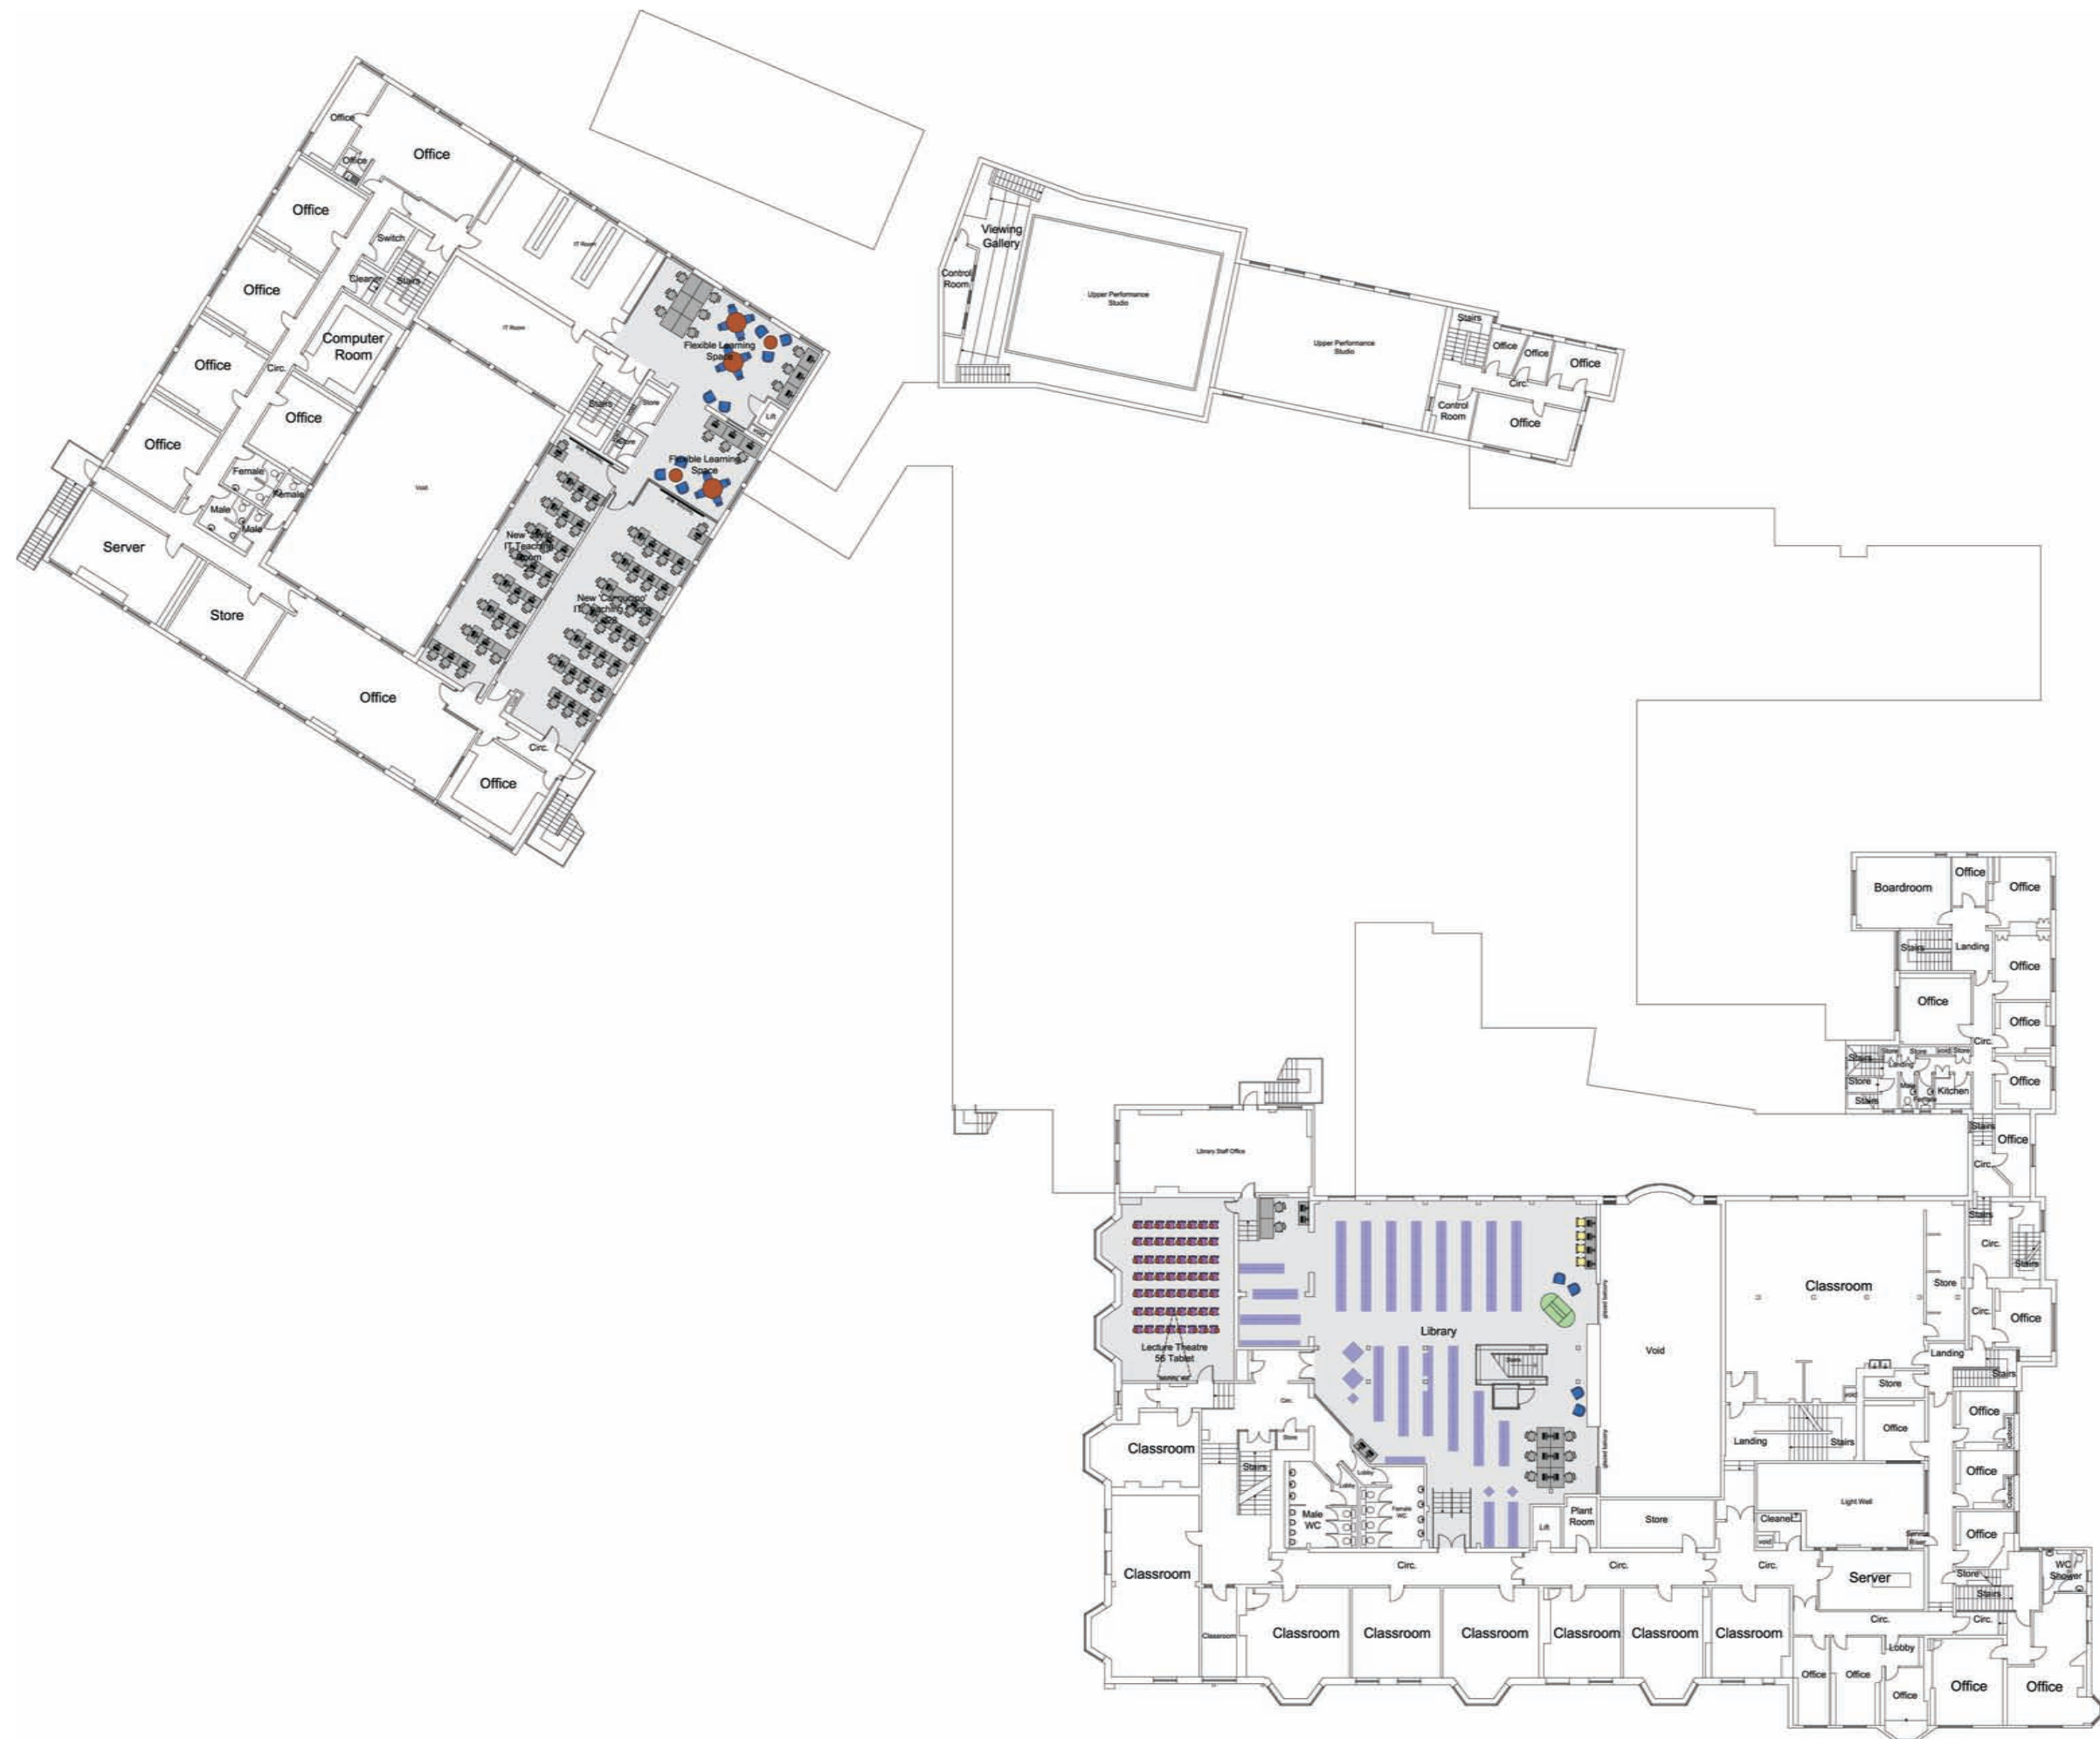

Design Direction - Various heights of working
